Ismi / Fattoush & Knafeh

Selected simple cartoon direction. Three emotional states and two lesson scenes.

Welcoming

Direct gaze / open smile / small hello

Attentively listening

Side gaze / closed mouth / forward attention

Gently encouraging

Direct gaze / quiet smile / low open palm

Catching up over coffee

Making plans together

Knafeh: lighter warm olive skin, straight dark hair, clean-shaven.

Expression clarity at actual size

View at 100% or render this page at 72 dpi. The small squares are not enlarged.

Welcoming

64 x 64 px

96 x 96 px

Attentively listening

64 x 64 px

96 x 96 px

Gently encouraging

64 x 64 px

96 x 96 px

What survives reduction

Welcoming: direct eye contact, visible open smile and vertical greeting hand.
Listening: side-directed pupils, head turn, closed mouth and no gesture.
Encouraging: direct eye contact, smaller closed smile and a low horizontal open palm.
At 64px, gaze and pose carry more meaning than fine eyebrow differences.
This is visual design review, not evidence from a learner recognition study.

Source and editability

New artwork is OpenAI image_gen output. No human-drawn library assets in this sample.
Individual PNGs and exact prompts are included. PDF text and layout are separate objects.
Character faces and body parts are raster artwork, not editable vector paths.
The earlier Open Peeps board and its CC0 source records remain unchanged.
